We combine high quality teaching, interactive forums and shared learning in a relaxed environment. Our 'hybrid' classroom has been hugely successful and provides both accessibility and flexibility as students can choose to join either in-person in Leeds or online via Zoom.

CHRISTCENTRAL

WELCOME TO DEVOTED 2025

Welcome to the Staffordshire Showground and to Devoted. We've waited a very long time to say that again! We were last here in 2019, and since then we've had Devoted Online and some great Devoted Leaders conferences. However, it's exciting to be back for our first in-person Devoted Festival in 6 years. For many of you, this may well be your first ever Devoted, and if that's the case, you are very welcome! And for those returning, it's great to see you too.

Each morning, we will start with family worship all together. This will be followed by separate sessions for kids, youth and adults. On Friday, Saturday and Sunday mornings, adults will have the choice of three streams – Word, Spirit and Mission. Whilst we wouldn't normally separate these subjects, they are helpful descriptors of the themes of each stream. More details can be found on page 21. Meanwhile, our fabulous children's and youth teams will be running separate meetings for our u19s.

The afternoons will bring some optional seminars, sports activities, games, the exhibition area and plenty of free time to spend with friends and family.

Our evening celebrations will consist of a time of worship, a short devotional from Jeremy, news from around ChristCentral, followed by ministry from one of our main speakers. We are looking forward to hearing from Chris Frost, Joseph Mwila, Natalie Williams and Andrew Wilson.

On the Saturday evening, we will have the opportunity to give into our annual ChristCentral offering. In addition to supporting Devoted and other key events, this goes towards funding our apostolic partners around the world, as well as helping resource church planting and social action initiatives. Please can we ask you to pray and to come prepared to give? If you miss the offering on Saturday, don't worry, you can give online at **christcentralchurches.org/offering** where you will also find more information.

We want to thank those of you who have worked so hard to get Devoted up and running once again, as well as those who are serving over the weekend. Whether you're on stage every meeting, running our u19s groups or serving somewhere behind the scenes making things come together, we'd like to say a huge thank you from us!

Thank you also for making the time to be here and for your commitment to ChristCentral. We truly believe we can do more together than apart, and we are praying that this weekend will be a faith-building, refreshing, fun weekend where you see something of what God is doing in our worldwide family of churches. We trust you will be encouraged in your faith and freshly inspired to follow Jesus in every area of life.

With our love,
Jeremy & Ann Simpkins

DEVOTED KIDS

UNDER 5s ZONE

New for Devoted 2025, we'll be sharing the Sandylands venue with our Devoted 2-4s group. There'll be lots to do and explore, with play & prayer activities for our youngest delegates and their carers.

Tea & Toast - 06:00 – 08:00
Do you have little ones who wake early, are hungry and don't fancy staying in their tent until everyone else is awake? Tea & Toast is for you – bring them to the Under 5s Zone with a mug and plate for some FREE tea and toast.

Evening Celebrations
During our evening celebrations, we will be providing a safe place for our u5's to chill out with their parents / guardians. There will be a live stream from the main meeting and some refreshments. It's a great place to go if your children aren't tired enough to be in bed but too restless to stay in the meeting listening to the preach.

PLEASE NOTE:

- Parents / guardians MUST stay with their children
- We are limited for space, so first come, first served!

DEVOTED 2-4s

Our 2-4s group will take place in the morning following the main family worship. In the Bible, Jesus describes Himself as the Good Shepherd. Over the weekend we'll be down on the farm discovering that we have a Heavenly Shepherd who knows us and loves us. Children accompanied by their responsible adult will be invited to join our farmers as we play, create and explore what it means to know the Good Shepherd.

PLEASE NOTE:

- Please bring a labelled water bottle for each child, and if you want a hot tea / coffee, a reusable cup with a lid.
- Children MUST be accompanied by a responsible adult.
- Each adult can bring up to 3 children with them.
- Bring your favourite cuddly sheep. We would love to welcome them to our flock (if you want to)!
  (Don't forget to label your soft toy, in case they get muddled up)

DEVOTED KIDS
5-7s & 8-11s

At Devoted Kids 2025, we are travelling to Ancient Babylon. Meet the Magi in their library, visit the architect's studio, and join the Captain of the Guard at Babylon's finest academy. We will be exploring the story of Daniel together, with loads of fun games, interesting activities and energetic worship!

5-7s

We will be thinking about what it means to follow and worship the God who is always with us. We've got lots of exciting crafts, some amazing Bible stories and our very own band. Our venue is in the Ingestre Suite. Don't forget your named water bottle!

8-11s

We're going to be exploring what it means to have courage, even in the scariest of times. In the marketplace, there will be the chance to design your own Babylonian seal, chat to the local innkeeper and even make your own lion! We'll finish each evening with the ultimate praise party! Our venue is in the Margaret Everton Pavilion. Don't forget your named water bottle!

Each morning, we start the day with Family Worship, all together in the main venue (10:00-10:45). There are no evening meetings for anyone under 8 yrs, but they are welcome to join us in the main venue with their parent / guardian. Under 5s can go to the 'Under 5s Zone' with their responsible adult at any time during the evening meeting.

8-11s meet in the evenings at the Margaret Everton Pavilion for their own times of worship and teaching.

DEVOTED YOUTH

12-16s

This year at Devoted we want you to have the best of the adult stuff, as well as having your own space to meet with God. Therefore, we'll be taking a hybrid approach to our programme.

Mornings - join with family worship in the main venue, and then head to ANY of the streams on offer (including the youth only stream). Youth leaders will be available at all stream venues so we can sit, ask questions and reflect on the subject together.

Afternoons - come and hang out in the café / activity area in Annexe 1. This is a family friendly area, though lots of the activities will be for over 11s.

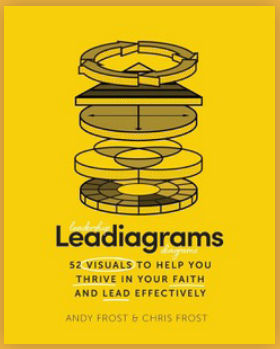

Evenings - we'll start off in the main venue for worship and then head out to the Argyle Hall for our own teaching session.

17-18s

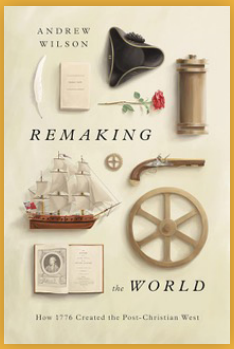

Embracing our hybrid approach this year, you have a choice: you can join the 12-16s for their sessions or stay in the Main Venue. Rest assured, you'll be warmly welcomed whether you're in the Main Venue or the Argyle Hall.

"This book is a truly amazing biography of Jesus. An incredible retelling of his life through the eyes of those who knew him best... It's so thoroughly biblical yet it's as fast paced as any contemporary thriller! I was moved to tears on several occasions and found my love for Jesus growing as I rediscovered my first love."

MORNING STREAMS

All start promptly at 11:15, venues as advertised.

WORD STREAM

Venue: **Main**
Hosted by: **Graham Anns**

Friday / Saturday / Sunday: Alan Rose
1 Samuel 17

You are probably at least aware of the story of David and Goliath, even if you're hazy about the detail! But how best should it be interpreted today?

During our three mornings together, we will lead you on a deep exploratory dive into a remarkable Old Testament narrative (1 Samuel 17). We're going to learn together how we might approach Hebrew narrative texts and interpret them as Christian Scripture by paying attention to historical, theological and literary contexts.

You don't need to be an expert – there will be something for everyone. All you need is a Bible, something to make notes with, an inquiring mind and a hunger for God's word.

SPIRIT STREAM

Venue: **Annexe 2**
Hosted by: **Stew & Gaynor Morris**

Friday: Graham Pyman	**Saturday: Rob & Helen Coleman**	**Sunday: Roger Bye & guests**
Building a Spirit-filled Church	Living a Spirit-filled Life	Growing in the Prophetic Gift

Do you want to grow in your knowledge, understanding and experience of the Holy Spirit? Then this stream is for you!

Join us for any of these three sessions as we look at the life the Holy Spirit brings, to both churches and individuals.

No matter what your starting point is, this stream will help you grow in both knowledge and experience and help you to take steps forward in your life with God.

MISSION STREAM

Venue: **Rear of Main Hall**
Hosted by: **Chris Frost & Jenny Herrera**

Friday: Raj Saha	**Saturday: Chris Duerden & Michael Akotia**	**Sunday: Igor Bogomaz & Karen Khachatryan**
Mission In Your Everyday	Mission Through The Local Church	Mission Under Fire

On day 1, we will start by looking at mission in your everyday – be that at home, your workplace, university or somewhere else! On day 2 we'll hear stories from churches in the UK and around the world. How could you and your church join together on mission to the nation and the nations? And finally, day 3 will help us understand what it's like to be on mission in challenging contexts, even in war zones.

AFTERNOON SEMINARS: FRIDAY

All our afternoon seminars start at 2pm and finish at 3pm.

EVERYDAY SUPERNATURAL EVANGELISM

Main Venue | ***with Gill Cronau & Claire Coggan***

Jesus told His Disciples, "The harvest is plentiful, but the workers are few; therefore, pray to send out labourers into his harvest." Matthew 9 v 37-38

Like the disciples we have been sent by the Father to proclaim and demonstrate His love and compassion through words, works and wonders. We are the church on display, fulfilling the great commission, with Jesus the light of the world shining in and through us every day, wherever we are.

Come and be ignited with fresh faith for mission as Claire and Gill from Kings Arms Bedford share stories and teach on living with an expectation to bring the Kingdom in our everyday lives.

VOICE OF THE NATIONS

Devoted Kids 8-11s - Margaret Everton Pavilion | ***with John Davy of CreationCall & International Guests***

The earth God created and in which we live, is one of God's greatest gifts, enabling life in all its varied forms to flourish. However, in recent generations we have been complicit in allowing pollution and therefore global heating to threaten its finely balanced environment. What should we do now?

In this seminar we will listen to apostolic leaders from several nations, as they talk about the difficult situations they face. Their experiences raise important questions for us: How can we both deepen our faith and adjust our lifestyles to better care for both the created world and our brothers and sisters in Christ across the globe? What does this mean for our own local communities and the way in which we reach out to them?

JOYFULLY SINGLE

Rear of Main Venue | ***with Natalie Williams***

Churches can be pretty miserable places for single people, especially if there's a strong emphasis on families and kids. But it doesn't have to be this way! If you're wondering how to honour the single people in your church family and support them as they flourish, come to this seminar. Likewise, if you're single and want to find more joy in it, this seminar will encourage you.

AFTERNOON SEMINARS: SATURDAY

COMPASSION: ACT OR LIFESTYLE?

Main Venue	*with Tim Robertson from Compassion UK*

When Jesus moves, we should follow ... into the lives of the broken, the poor, the last, the least and the lost. We are called to be bringers of hope, living out our daily lives in service to others. Be inspired through stories of transformation and be moved to action.

FROM VISION TO REALITY
A Church Planting Seminar

Rear of Main Hall	*with Keith and Rachel Cooper*

A church plant starts with a clear call from God and a vision to build a new community of believers on mission. How do we turn that vision into reality? Join us for this seminar where we will examine critical leadership skills and the importance of teamwork, location and strategy. There will also be a chance to ask questions and hear stories from church planters.

EMPOWERING THE GIFTS OF THE SPIRIT IN THE EVERYDAY LIFE OF CHILDREN AND TEENS

Devoted Kids 8-11 - Margaret Everton Pavilion	*with Rachel Turner*

The gifts of the Spirit are given to us to minister to others, to demonstrate God's power to the world, and to empower each of us to play our part in the Body of Christ. The Spirit is equally given to our children and teenagers!

This seminar will explore how we can equip, encourage and empower our children and young people in connecting with God and moving in the gifts of the Spirit in their ordinary, everyday lives. We will look at the unique opportunities that parents have, as well as how we all can integrate children and young people to use their gifts in the wider church.

AFTERNOON SEMINARS: SUNDAY

BREAKING BARRIERS; BUILDING BELONGING:
Parables that weave multi-ethnic unity and diversity in the church

Main Venue	*with Raj Saha & Martin Charlesworth*

Who is my neighbour? Go and do likewise! Don't I have the right to do what I want? Are you envious because I am generous? These statements pop out of the lips of Jesus like ninjas packed with a punch! In this seminar we explore 2 parables that unpack how we and our churches can become havens of inclusion, unity, and diversity. Hear stories that empower us to build bridges across difference and reflect God's boundless grace. Are you ready to embrace radical hospitality, love beyond reason and abundant grace? By His Spirit let's transform our homes and churches into vibrant, welcoming spaces for all - let the nations be glad!

GOING UPSTREAM

Devoted kids 8-11s - Margaret Everton Pavilion	*with the Jubilee+ Team*

Desmond Tutu once said: "There comes a point where we need to stop just pulling people out of the river. We need to go upstream and find out why they're falling in." Being a voice for the voiceless and advocating on behalf of those in poverty is something God's people are called to do. So how do we do it well, with mercy, justice and humility? How can church leaders support those in their congregations who are engaging with decision makers and trying to bring change to society?

YOUR MOST FRUITFUL DECADES
Discovering the power of later life

Rear of Main Hall	*with Adam Price & Friends*

Your best years are not behind you; they are ahead of you! Psalm 92 promises that the righteous bear fruit in their old age, yet we often hear more about the emerging generations than the established. Come and have your faith stirred for God's purposes in later life by looking at the Scriptures afresh and hearing stories from those embracing it. It's never too early to start making decisions that will prepare the ground for the later seasons of life - you don't need to be drawing a pension to benefit from this seminar!

STAYING SAFE ON SITE

There is a general no car policy around the site from Thursday 22:00 to Monday 10:00. You may see some vehicle movement (Blue Badge, deliveries, essential site work, site staff), but this will be kept to a minimum.

Whilst this should help to make the site as safe as possible, please be aware that there will be times when vehicles are moving around, particularly closer to meeting times.

Please note that NO vehicles will be allowed to move near the main venue in the 30 minutes before and after each meeting.

In the unlikely event there is an onsite emergency,
PLEASE CALL 03000 110 121
which is a direct line to our onsite staff.

MEDICAL COVER - We have a fully staffed medical team on site to cover medical emergency situations. You can normally find them at the Medical Point (see map), or you can contact them on: **07599 155166** (24 hours). You can also find them overnight at the Medical flag on the Barnabas Community Church site.

BBQs - No campfires or BBQs are allowed on site. If you have a fire emergency, there are fire points around the camping areas for you to use in the first instance.

CHILDREN - We love them and want them to be safe – please make sure that they are always supervised. The site is large, and it's easy to get lost. If a child is lost (or you find a child who thinks they are lost), please contact one of our site team with a radio or call our site team on **03000 110 121**. Alternatively, please go to the Information Point where someone will be able to assist you.

TOP TIP

Write your surname and a mobile number on the inside of your child's wristband – it makes reuniting child and parent that much quicker!

SAFEGUARDING

Making Devoted safe is EVERYONE's responsibility.

If you don't feel safe or are worried that someone else may not be safe, tell someone without delay.

You can contact our Safeguarding Team for help and advice on: 03000 110 121

The Safeguarding Team is made up of:

MINISTRY TEAM - We are expectant for God to move powerfully in people's lives, and will have a dedicated Ministry Team to help facilitate this, led by Rob & Helen Coleman from Grace Church, Bolton. They will be supported by several other leaders from around ChristCentral. Clear guidelines will be in place for all team members, each of whom will have been approved by their local church leadership in advance. DELIVERING FOOD TO SITE

There are great supermarkets in the local town, and you can receive food deliveries from online suppliers. However, due to traffic restrictions on site, cars and vans must be unloaded at the gate and shopping walked to your pitch / site. This is to reduce traffic on site, protecting our youngest delegates!

COMPOSTING / FOOD WASTE

This year we are excited to offer on-site composting of food waste across the site. We have asked your church coordinator to bring compost caddies for your church to use. However, a limited number of compost caddies will be available to hire or purchase* from the Information Point at just £5 each.

Once full (of peelings, apple cores, banana skins, tea bags, plate scrapings etc.) please empty them into one of the designated food bins available around the site. The Showground will empty these into their own composting heaps, so please use responsibly (Note – if you don't need your caddie after Devoted, please return it to The Hub and we will give it a new home!)

The Hub will also be the home of all things green, with collection points for other non-recyclables (e.g. bread bags, snack wrappers – crisps, biscuits, popcorn etc, as well as plastic lids). These will be used to support local charities.

If you have any unused and unopened food you'd like to donate to House of Bread (**hobstafford.co.uk**), please leave them at the Information Point on Monday morning.

** If you'd like to take your compost caddy back with you for your church, simply add a further £5 donation to cover the cost of the caddy. If you don't need it at the end, please return it to The Hub and we will give it a new home.*

Jesus leads, we move

We see the devastating reality of extreme child poverty and want to respond as Jesus would.

For more than 70 years, Compassion has partnered with local churches, amplifying their work to release children from poverty in Jesus' name.

As children receive practical support and learn of Jesus' love for them, lives are changed, families are strengthened, communities are transformed, and the impact continues for generations.

It all starts when we follow Jesus' lead and move with compassion.
